PRIDE

ACCOUNTABILITY

RESPECT

The Mission:

"Committed to serving the needs of Amador County with Professionalism, Integrity and Vision"

The District:

The Amador Fire Protection District is an all-risk Fire Department that responds to over 4,500 emergencies a year out of nine stations, and proudly serves a population of over 22,000 residents, covering 500-square miles of the unincorporated areas of Amador County and the City of Plymouth.

The Fire Engineer Position:

- Responds to fire, medical, traffic accidents, rescue, and other emergencies to protect life and property.
- Supervises subordinate personnel.
- Operates and maintains fire apparatus and other fire agency equipment.
- Fights fire under departmental policies and procedures.
- Protects life and property from fire and other hazards by preventing, controlling and extinguishing fires.
- Provides first responder medical emergency response at the basic life support level.
- Participates in trainings, drills, independent study, and fire prevention activities.
- Participates in all company activities, including fire prevention, pre-fire planning, public education, training, and perform related work as required.
- Prepares and files reports.
- Expected to build and maintain positive relationships within the public and conduct themselves proficiently, respectfully and professionally during interactions at all times.

Minimum Qualifications:

- **(Copies of all Minimum Qualification certificates and licenses may be requested at any time throughout the hiring process).**
- Candidate must be at least 18 years of age.
- CSFM Firefighter 1 certificate.
- Possess and maintain a current Emergency Medical Technician license with the state of California at time of appointment. A valid Paramedic license is desirable.
- Possess and maintain a Valid Class A or B California Driver's License with tank and air brake endorsement or Class C with firefighter Endorsement (A DMV printout from within 30 days of closing date must be attached).
- CSFM Driver Operator 1A & 1B at time of appointment.
- High school diploma or G.E.D. equivalent.
- Two years of continuous fire suppression, emergency medical response and fire prevention within the last three years as a paid or volunteer firefighter.
- Possess current American Heart Provider CPR-AED certificate or equivalent.
- Current CPAT physical agility certificate.
